

Wickford Shipyard, Inc.

Winter Storage Fees 2014-2015

To reserve space the Winter Storage Contract must be completed, signed and returned within ten days.

Storage Charges

Outside Power	\$ 44.50/ft
Outside Sail	\$ 48.00/ft
Inside Power	\$ 71.00 per running foot (under 10' beam)
Inside Sail	\$ 73.00 per running foot (under 10' beam)
Sail & Power 10' Plus Beam	\$ 7.10 per sq foot .;
Wet	\$ 800.00 plus meter electricity \$ 1,000.00 live aboard, plus metered electricity

1. All structures build over boats while in wet storage are not to be attached to the marina docking system.
2. In order to accommodate our summer rentals, boats in wet storage must vacate slips by April 15th
3. **PLEASE NOTE: Wickford Shipyard in the past has not enforced condition # 3 on the back side of the Winter Storage Contract, but WILL enforce it from now on. This includes any size boat, inflatable's, and trailers.**

If there is any additional work you would like us to do, that is not incorporated in the Winter Storage Contract, please list it below, and attach it to the signed contract.
